

WHAT KIND OF DANCER ARE YOU?

Talent Forum has just what you need!

RECREATIONAL

Taking one or ten classes at Talent Forum does not change how important you are to our programs. Any student is welcome to take any class providing it is appropriate to the students' age and ability. Shelley is happy to assist in finding the best classes for your dancer. Though not mandatory until an Int. 2/3 level, taking ballet is extremely important in the development of a dancer. The terms and technique learned in ballet class are the foundation for most other dance forms. Keeping ballet as part of their dance training allows our students to truly excel.

SEEKING A COMMERCIAL TRACK

It takes versatility to audition for Commercials, Music Videos, Industrials, Dance Concerts, Broadway, Cruise Ships or as a Back-Up Dancer. Being on a Concert Dance Track heads you in the right direction.

- + Adding **Forum Starz** brings more stage time and a flashier, hot jazz style to a dancer's repertoire. Participating in competitions builds auditioning skills and performance opportunities. The focus is on providing excellent training and positive, fun choreography. *Read more about Forum Starz on company page and for requirements and fees.*
- + Adding **Hip Hop** instills the street movement representing many of today's music artists and commercials.
- + This hard hitting Hip Hop company, **Forum Squad** is bringing fierce choreography thanks to director Wesley "Wesside" Owens. They are already receiving great recognition at numerous performances. The intensity and attitude being developed provides a competitive edge for auditions.
- + Adding **Tap** is something that one should take, even if not interested in becoming a member in Footprints. Knowing a shuffle ball change and a time step is helpful!
- + Adding **Ballet** is the fundamental for most dance forms. Being proficient in ballet will get a dancer more work than anything else! Maintaining strong ballet technique while adding the other dance styles; jazz, lyrical, contemporary, hip hop and tap to your resume will take you far. **TF** offers exceptional master teachers to bring all of these dance forms to you.
